

ULTIMATE GUIDE

Stroller rentals at Disneyland

OPTIONS

- 1. BRING YOUR OWN:** Most airlines will check your stroller for FREE either curbside, at the ticket counter or at the gate.
- 2. RENT A STROLLER AT DISNEYLAND PARKS:** Rent a single or double stroller for the day. Rented strollers can be used in Disneyland, California Adventure and Downtown Disney.
- 3. RENT FROM A THIRD PARTY:** Independent companies offer single or double stroller rentals. Strollers are sanitized before use and delivered to you at your resort or hotel.

FREQUENTLY ASKED QUESTIONS

What size strollers can be taken to Disneyland?

Strollers must be 31" (79cm) wide and 52" (132cm) long or smaller. As a reminder, wagons and stroller wagons are not permitted in the parks.

Are double strollers allowed at Disneyland?

Double strollers are permitted at Disneyland as long as they meet the above size requirements.

What do Disneyland strollers look like?

Strollers are hard plastic, sport Disney theming and offer a retractable canopy and drink holder..

Where do I find Disneyland stroller rentals?

Stroller Rental for both parks is available to the right (east) of the Disneyland entrance gate. Here, you can also rent ECVs and Wheelchairs. These can also be used in Disneyland, California Adventure and Downtown Disney.

Are strollers permitted on Disneyland rides?

In most cases, strollers are not permitted on Disney World rides. You will find stroller parking in front of ride entrances. Be aware, cast members reserve the right to move strollers if parked in the way.

Are jogging strollers allowed at Disneyland?

Yes, jogging strollers are permitted in the parks as long as they meet the previously mentioned size restrictions.

If I bring a stroller from home, where can I keep it at night?

You will find ample room in Disneyland resorts for storing a folded stroller. Your stroller may even fit folded up inside the closet. If staying offsite, check room size before bringing your stroller.
